

FAC LIST

updated June 6, 2017

This is the current list of Colleges in Moodle that are on the Fully-Automated Course system (FAC). Those highlighted in **green** have some courses still as email only, but most of them will be converted to FAC as time permits.

When you select an FAC course, you will see a QUIZ icon with a red check mark and a grayed-out certificate icon, which you will have access to when you pass the exam.

All the rest of Academy's courses are email-only, and you will need to email the director for an exam, as you did on the previous web site. See the file "Course Request" for the Director's email.

FAC exams may alternately be taken by email if you do not have the ability to complete the exams online.

INSTITUTE	COLLEGE	DIRECTOR	EMAIL
ALIEN STUDIES	TGA	Jill Tipton	thegornacademy@yahoo.com
