

THE ACADEMY MONITOR

VOLUME 10 ISSUE 1

FROM THE COMMANDANT

Greetings from the great Halls of Learning, Starfleet Academy!

From the Principal's Office

It is with a heavy heart that I begin this article for the first quarter of 2016. I lost a dear friend who was more like a son, especially since my daughter and he were only three days apart in age.

I remember nine years ago when I took over Wayne's duties as Academy Commandant, when he said, "Now, if you need any help, don't hesitate to holler." Between he, Carol Thompson and Marlene Miller, I was able to keep up my duties and, if I felt overwhelmed, they had the right words to keep me going.

I met Wayne for the first time at Niagara's 2015 IC. I remember the first thing I said when we met was, "What did you do to your beautiful hair?" We laughed and I got a huge bear hug. I know many of you will miss him, but for me, he will always be here in spirit.

With this said, it is hard to believe that we are nearing the half mark of 2016. Soon, we'll be hearing about who will be running for CS and who they choose for their EC, one being the SFA Commandant. After nine years, I'm ready to hand over the key to the 'Dant washroom and hopefully someone will finally assign a parking spot closer to the Academy than the one I had. I know I need the exercise, but *sheesh!*

We are all very busy with our Academy duties, some with a much larger load than others, but the Academy is running and strong and the "Boss Lady" has not left, yet.

Have a beautiful summer.

In Loving Memory

Wayne Lee Killough, Jr.

October 18, 1976 – April 16, 2016

<https://www.youtube.com/watch?v=SvSv04iUtDI&feature=share> for an online tribute to Robyn Hunter

We lost Fleet Admiral Wayne Lee Killough, Jr. late Saturday night, April 16, 2015, in hospital, due to complications from recent surgery. The news of his passing rocked STARFLEET, his coworkers at Capgemini, and his fellow stage performers in the Gay community.

Wayne was a multi-faceted and multi-talented person, giving his best to the organizations he was passionate about. He was kind, attentive, and had a ready smile for his many friends, even though he suffered from health problems, from the loss of dear friends and family, and suffered abuse from strangers who objected to his lifestyle.

The last few months were emotionally and physically hard on him, but he unselfishly gave of himself to STARFLEET and to the Miss Gay Missouri pageants held in Springfield, Missouri. As a female impersonator, he often danced and lip-synched on stage. He won the title of Miss Missouri Continental Plus in 2011 under the persona of Robyn Hunter, which was also the persona he performed with.

He was a skilled IT troubleshooter, and worked with Capgemini, as well as lent his skills to the Academy Website team.

In Loving Memory

Wayne served STARFLEET with honor and dedication in every position he held, including its highest offices. When it came to STARFLEET he always did what he thought was in the best interests of the Fleet, and his passing is a great loss to every member of this organization.

Wayne joined Academy in 1997, assuming the Directorship of STARFLEET Academy College of Medicine (SACOM). Over the 19 years he served in Academy, he helped develop a number of Colleges and programs, and held positions at every level, including that of Academy Commandant. He still administered SACOM and the Academy Degree Program until his death. He was expecting to return full-time to Academy after his term as Commander, STARFLEET. Since he was shy 10 credits to obtain his 4000 Boothby, and would have reached that goal in the near future, Academy has renamed the 4000 Boothby to the Wayne Lee Killough, Jr. Memorial Boothby.

The following obituary appeared in the local newspaper and online:

Wayne Lee Killough, Jr., age 39, of Palestine passed away April 17, 2016 in Austin. He was born October 18, 1976 in Pasadena to parents, Wayne Lee Killough, Sr. and Cheryl Marie Dauzat Killough. Wayne was employed as a computer analyst for Capgemini. He graduated in 1996 as valedictorian of Dubach High School and then continued his education at Stephen F. Austin State University earning a Bachelor of Business Degree in 2015.

Wayne is survived by his father, Wayne Lee Killough, Sr. of Latexo; sister, Sherry Coleman and husband, William of Little Rock, Arkansas; nieces and nephews, Cody Colvin and wife, Christy of West Monroe, La, Lisa and Aaron Ockerman of Summerfield, La.; great-nieces and nephews, Meredith, Fisher, Ryland and soon to arrive Farrah Ockerman; aunts and uncles, Linda Poston of Anacoca, La., Terri Santiago and husband, Albert of San Diego, CA, Dale Eaton and husband, David of LaPorte, and Dallas Dauzat and wife, Darlene of Anacoca, La.; and numerous other relatives and friends.

He was preceded in death by mother, Cheryl Killough and grandparents, Jeff Lee and Faye Killough and Dallas and Enola Dauzat.

Funeral Services for Wayne Lee Killough, Jr. were held Thursday, April 21, 2016 at 10 a.m. in the Callaway-Allee Memorial Chapel with Father Peter McGrath officiating. Interment followed in the Evergreen Memorial Park.

There are no adequate words that can fully describe who Wayne was, or what he meant to us that knew him. He will be forever missed and mourned.

..."Unto God's gracious mercy and protection we commit our departed friend. Bless Wayne and keep him. The Lord make his face to shine upon Wayne, and be gracious unto him. The Lord lift up His countenance upon Wayne and give him peace, both now and evermore. Amen"

ACADEMY CADET NEWS

Page 6

Hello everyone.

Some of you may remember an award I started about three years ago, called the Cadet Star Award. For those of you who don't remember, let me refresh your memories.

Cadets (6 to 18 yrs of age) who take courses from the college offerings within the Institute of Cadet Studies must complete a college with Honors &/or Distinctions. When doing so, they receive a congratulatory letter from myself as well as a special certificate and a gold star pin. They can complete as many colleges as they want, earning more letters, certificates and pins.

If a cadet completes any college within the Adult Institutes with Honors and/or Distinctions and only 1 Pass, the cadet will also earn the Cadet Star Award.

Some of the older cadets (13 to 18) have never attempted the colleges within the adult institutes because they didn't know they were allowed to. So, please pass this on to your cadet members.

I do hope with these incentives, that we start seeing more of our younger members start getting involved at STARFLEET Academy.

CADET STAR AWARDS

Congratulations to Emma Bayonet for completing both the Cadet Vulcan Academy of Science and College of Pokemon.

Congratulations to Darin Debrestian for completing the College of Pokemon.

Remember, those of you who direct Cadet Colleges, that when you have a Cadet who has fully completed a Cadet College with Honors and/or Distinctions to let me know so I can send that Cadet the same Award.

They can earn as many Star awards as there are Cadet Colleges.

I'd love to see a Cadet weighed down by loads of star pins!

SO YOU WANT TO BE A DIRECTOR

Basic requirements are: Be at least 18 years of age and have taken OTS, OCC, and SAOC. Cadets at least 14 years of age may serve with an adult mentor.

To assume a vacancy, you must pass all of the exams in the College, or if a College of 35 to 60 exams, 75% of the exams. Colleges over 60 exams are tested out at 50%, with a maximum of 50 exams required.

Assistant Directors must meet the same requirements as the Director.

To direct a College of your own creation, first check the College Catalogue to make certain your idea is not already being used.

If the concept is not being used elsewhere, submit a College outline, exam, and key to the Course Development Contact, Carol Thompson at: betazoid@mosquionet.com

She will determine where your College fits within the Academy structure and introduce you to your Dean, who will lead you through the approval process.

NEW STAR TREK SERIES PREMIERS IN 2017

Continued.....

Born from the mind of [Gene Roddenberry](#), the original *Star Trek* series debuted on Sept. 8, 1966 and aired for three seasons – a short run that belied the influence it would have for generations. The series also broke new ground in storytelling and cultural mores, providing a progressive look at topics including race relations, global politics and the environment.

“There is no better time to give *Star Trek* fans a new series than on the heels of the original show’s 50th anniversary celebration,” said David Stapf, President, CBS Television Studios. “Everyone here has great respect for this storied franchise, and we’re excited to launch its next television chapter in the creative mind and skilled hands of Alex Kurtzman, someone who knows this world and its audience intimately.”

“This new series will premiere to the national CBS audience, then boldly go where no first-run *Star Trek* series has gone before – directly to its millions of fans through [CBS All Access](#),” said Marc DeBevoise, Executive Vice President/General Manager – CBS Digital Media. “We’ve experienced terrific growth for [CBS All Access](#), expanding the service across affiliates and devices in a very short time. We now have an incredible opportunity to accelerate this growth with the iconic *Star Trek*, and its devoted and passionate fan base, as our first original series.”

“Every day, an episode of the *Star Trek* franchise is seen in almost every country in the world,” said Armando Nuñez, President and CEO, CBS Global Distribution Group. “We can’t wait to introduce *Star Trek*’s next voyage on television to its vast global fan base.”

[CBS All Access](#) offers its customers more than 7,500 episodes from the current television season, previous seasons and classic shows on demand nationwide, as well as the ability to stream local CBS stations live in more than 110 markets. Subscribers can use the service online and across devices via [CBS.com](#), the CBS App for iOS, Android and Windows 10, as well as on connected devices such as Apple TV, Android TV, Chromecast, Roku players and Roku TV, with more connected devices to come.

The new television series is not related to the upcoming feature film *Star Trek Beyond* which is scheduled to be distributed by Paramount Pictures in summer 2016.

NEW STAR TREK SERIES PREMIERS IN 2017

Page 23

CBS Television Studios announced today it will launch a totally new *Star Trek* television series in January 2017. The new series will blast off with a special preview broadcast on the CBS Television Network. The premiere episode and all subsequent first-run episodes will then be available exclusively in the United States on [CBS All Access](#), the Network's digital subscription video on demand and live streaming service.

The next chapter of the *Star Trek* franchise will also be distributed concurrently for television and multiple platforms around the world by CBS Studios International.

The new program will be the first original series developed specifically for U.S. audiences for [CBS All Access](#), a cross-platform streaming service that brings viewers thousands of episodes from CBS's current and past seasons on demand, plus the ability to stream their local CBS Television station live for \$5.99 per month. [CBS All Access](#) already offers every episode of all previous *Star Trek* television series.

The brand-new *Star Trek* will introduce new characters seeking imaginative new worlds and new civilizations, while exploring the dramatic contemporary themes that have been a signature of the franchise since its inception in 1966.

[Alex Kurtzman](#) will serve as executive producer for the new *Star Trek* TV series. Kurtzman co-wrote and produced the blockbuster films [Star Trek \(2009\)](#) with Roberto Orci, and [Star Trek Into Darkness \(2013\)](#) with Orci and Damon Lindelof. Both films were produced and directed by J.J. Abrams.

The new series will be produced by CBS Television Studios in association with Kurtzman's Secret Hideout. Kurtzman and Heather Kadin will serve as executive producers. Kurtzman is also an executive producer for the hit CBS television series *Scorpion* and *Limitless*, along with Kadin and Orci, and for *Hawaii Five-0* with Orci.

Star Trek, which will celebrate its 50th anniversary in 2016, is one of the most successful entertainment franchises of all time. The original *Star Trek* spawned a dozen feature films and five successful television series. Almost half a century later, the *Star Trek* television series are licensed on a variety of different platforms in more than 190 countries, and the franchise still generates more than a billion social media impressions every month.

FROM THE EDITOR

If you have read this issue through, you have noticed at least two things: This issue is late—very late, and Academy has been insanely busy this year so far with personnel changes, Leaves of Absence, the closure of some Colleges and the opening of new Colleges.

We are in need of a permanent Newsletter Editor. The Editor must have some experience creating newsletters. Although this issue was created in Publisher, an Editor may use Word or Open Office to create newsletters. Other formats will be considered if the program is low-cost or freely downloadable, so that others can edit the copy, if needed.

Most of the content is provided by faculty members, so the position consists mostly of layout.
